## RESTORATION OF ST MARY'S CHURCH – UPDATE 2024

The bulk of the internal restoration has been done. However the stained glass windows still need work inside and out. The large rose window has been fully restored inside with the internal heleflex rods installed and painting completed. The rendering on the outside of the window has been completed in preparation for painting.

To make a start on the external painting of the rose window and the church walls we need additional financial donations continuing on into 2024. So our appeal continues.

**THANK YOU TO ALL WHO HAVE DONATED SO FAR, EVERY DOLLAR IS *VERY MUCH* APPRECIATED.**
